Absent: Doree Morgan
George Pendered

Staff: T. Jarb Thaipejr, Public Works Director/City Engineer
Deborah Woldruff, Community Development Director

- C. COMMENTS FROM THE FLOOR/PUBLIC PARTICIPATION

None.

- D. APPROVAL OF AGENDA SUMMARY

None.

- E. DISCUSSION ITEMS

1. Status of Parks Projects

Public Works Director Thaipejr stated that the City submitted a grant application to install lighting at the baseball fields; that the City received a grant in the amount of \$164,000 to install curb and gutter on Orange Grove and Academy St., which will be schedule for next year; that the City is currently upgrading the wiring along the Barton Road median and installing conduits around City Hall for the Christmas light

decorations; that the park benches and picnic tables have been delivered for Hulda Crooks Park and Dog Park; and that the installation of the new playground equipment for Hulda Crooks Park is scheduled for the first week of December. He noted that there was graffiti with permanent marker on the existing playground equipment at Hulda Crooks Park. Unfortunately, the graffiti-removal solutions were unsuccessful. Staff removed the graffiti with paint. He concluded by explaining that the street work being done along Mt. View Ave. and Barton Rd. was for the City's Connected Communities Program.

2. Review of Proposed Parks and Open Space for the South hills Project by Glenn Elssmann

Glenn Elssmann gave a presentation of their preliminary project for the south hills. He explained that the presentation was to give the Committee a preliminary overview of the project and to obtain feedback from the Committee. He would keep the Committee updated.

The Committee reviewed the project very carefully. Observations were made and there were reservations from the Committee pertaining to the parking issue. Concerns were expressed in regards to the proposed road.

No action taken.

F. Adjournment

Meeting adjourned at 8:00 pm.

Agenda Summary approved by the Parks, Recreation and Beautification Committee on December 13, 2004.

T. Jarb Thaipejr, P.E., Public Works Director/City Engineer
